

# Ms. Picchietti's Room 127!

March 20, 2017 - March 24, 2017

## Upcoming Events:

- \*April 7th - No School
- \*April 10th - 14th - Spring Break!
- \*April 19th - Report Card Pick Up  
(No school for students.)

## Notes from the teacher:

- ✓ Students should be trying their very best to tie their own shoes everyday!
- ✓ We are going through glue sticks and paper towel fast! If you could donate some to the class we would really appreciate it!
- ✓ THANK YOU SO MUCH to those who have already sent their student with glue sticks!
- ✓ Try going on IXL, Xtramath and Grammaropolis this week! The more practice, the better!
- ✓ Get out those addition and subtraction flash cards and practice at home when you can.
- ✓ Don't forget to practice sight words and spelling words every week.

## This Week In....

\*Math - We are starting geometry! We will be identifying and naming different shapes. This week we will focus on circles, squares and triangles. Be sure to touch up on shapes at home!

\*Reading - We continue to explore how living things grow and change. This week we focus on the life cycles of frogs and plants. We will be reviewing the skills of visualizing while we read and recall the order of events.

\*Science - We will be talking about sound and light. We will identify human-made sources of light, and identify sounds and the sources of their vibrations.

\*S.S. - We will be discussing the relationship between work and money. We will explore why people work, what we spend money on and why saving is important. We will be thinking about why we can't have everything we want.
