

Ms. Picchietti's Room 127!

11/14/16 - 11/18/16

Upcoming Events:

11/15 – Field Trip

11/16 - Picture Day

11/18 - Movie Night!

11/23 - 11/25 – Thanksgiving Break!

This Week In....

*Math - We will be wrapping up Chapter 4 next week. We will have our test when we get back from break. Our focus will counting, showing and modeling the number 10. Keep practicing numbers at home.

*Reading - Our stories are all about how animals and people move. We will be focusing on the skills of visualizing the story using our "Brain TV" and using details when we recall the story to our friends.

*Science - This week we continue talking about plants. We will discuss how plants survive, different parts of a plant, and the life cycle of a plant.

*S.S. - We continue to work on map skills. We are looking at the map of our world this week. We will learn about the land and water that makes up the Earth.

Notes from the teacher:

- ✓ **Remember...**All reading homework stays in Red folder, everything else goes in Home folder!
- ✓ Tuesday is our first field trip. Each student should bring a disposable lunch with them.
- ✓ Try going on IXL, Xtramath and Grammaropolis this week! The more practice, the better!
- ✓ Let's try and see if everyone can tie their shoes before the new year! :)
- ✓ Picture Day is Wednesday, I need all forms by Tuesday morning at the VERY LATEST.
- ✓ Just a reminder, please be sure your child uses the bathroom before they come to school. Many children are asking to use the bathroom right at 7:30.

Thanksgiving

Happy Birthday:
