- *June 9th - CAC Show @ 9am!
- *June 14th - Field Day (More info after CAC)
- *June 20th - Graduation at 11:00

Spring

This Week In....

*Math - We will continue (and finish) our last chapter of the of year! We will be using 2D shapes to sort and classify by color, shape and size. We will then work on creating graphs after we sort and classify.

*Reading - We will be reviewing our Sight Words, letter sounds, and reading longer passages aloud. We will continue to work more on important kindergarten skills.

*Science - (No science this week because of CAC)

*S.S. - We will be going on a "tour" of the 7 continents! We will be signing songs, doing dances, and art projects all having to do with the continents. We will spend a large portion on Europe, but students will learn more about all 7! It should be a very fun two weeks in school!

Notes from the teacher:

- ✓ It's CAC week 2! I will be contacting all those who are signed up to help during the week. If you would still like to volunteer your time, please contact me as soon as you can.
- ✓ A letter, and email, went home about CAC costume, if you have any questions please let me know!
- ✓ They will need to wear these clothes to school on June 9th.
- ✓ Field Day is June 14th. Please review the blue letter that was sent home. Go over this letter with your student to be sure they are not bringing anything that will be a problem.
- ✓ Graduation is June 20th at 11am. Please be on the look out for information in home folders.

Sight Word Review:

come, of, with, my,
you, what, are, now,
said, was
